Welcome to Morgan Stachs

The world is getting smaller and smaller, globalization has set close ties amongst all of our countries, and Morgan Stachs has understood that financial services have also become global.

Our exclusive customers can live anywhere and may need anything. From real estate to financing and financial planning, we are here to help, almost everywhere. Our staff has been specially trained in the financial services industry. Our vision of real estate is global, we are constantly looking for properties worldwide at the best price and in the best places.

Global investment is the future, enjoy the luxury of buying a foreclosure anywhere, and have a staff of people, ready to help you with almost anything.

Our services:

GLOBAL REAL ESTATE

With a network of Real Estate experts in Europe, America and the Caribbean, Morgan Stachs has access to the best investments in the western hemisphere.

PROPERTY MANAGEMENT

Quality rental management of your property is an essential part of our services.

FINANCIAL PLANNING

Our clientele are international and mostly french expatriates that put their confidence in us to manage their inheritance.

MORTGAGE BROKERAGE

Our Mortgage experts will aid you in finding the best loan possible for the property you want.

INVESTMENT FUNDS

The Morgan Stachs team is dedicated management, specializing in french and international investment funding.

OFFSHORE INVESTMENTS

Management of the investments and taxes of our clients is our speciality.
